

AJC's National Leadership Council (NLC) is a community of over 3,000 generous donors across the country who contribute \$10,000 or more to American Jewish Committee's annual campaign. NLC members are invited to participate in AJC advocacy at the highest levels—meeting and discussing issues with world leaders, politicians, and prominent members of faith and ethnic groups.

The NLC encompasses four societies; each successive society provides increasingly exclusive access to AJC's global diplomacy, international missions, and impactful advocacy opportunities.

SHAPE A NEW FUTURE THROUGH AJC

American Jewish Committee (AJC) is the global advocacy organization for the Jewish people.

From world capitals to college campuses, AJC works with leaders across society to stand up for Israel; confront antisemitism, no matter the source; and uphold the democratic values that unite us.

In the wake of Hamas' October 7 attack—the worst massacre of Jews since the Holocaust—AJC has mobilized its global network to tackle the unprecedented threats facing world Jewry. Join us. Together, we can shape a new future for Israel and the Jewish people.
