

Ted Deutch

Dear friends,

Thank you for your support of AJC. Your partnership truly empowers our indispensable efforts to create a safer, more secure future for Israel and the Jewish people.

As we have all painfully observed, the deep crisis that started with Hamas' brutal October 7 attack on Israel has only intensified and spread well beyond Israel's borders. As the leading global Jewish advocacy organization, AJC has mobilized our worldwide network to confront the unprecedented threats facing Israel and the global Jewish community. From college campuses to world capitals, we're working with leaders at the highest levels to stand up for Israel and to confront antisemitism.

In these turbulent times, it is more important than ever for us to gather as a community in solidarity and discuss how we can work together to combat rising antisemitism, stand up for Israel, and navigate the shifting strategic landscape in the Middle East. Our 2024 AJC Palm Beach Advocacy in Action Dinner is the perfect opportunity for us to do so, and I'm delighted that Dan Senor will join us for this special evening.

Through his podcast, *Call Me Back - With Dan Senor*, Dan has informed listeners worldwide on the latest developments of the Israel-Hamas war. He has emerged as one of the most trusted and insightful voices in the pro-Israel community.

I hope you will join us for our premier annual dinner on December 15 as we welcome Dan Senor to our reception and candid dinner conversation. It promises to be a wonderful and engaging evening. I look forward to seeing you there.

Thanks again for your support and leadership.

Ted
